All nutrition information is provided by the food manufacturers for Starbucks Coffee Company, based on their recipes. Starbucks attempts to provide ingredient and nutrition information that is as complete as possible. Variations may exist due to periodic changes in formulations. Serving sizes may vary from those used to calculate nutrition information. New product introduction or product changes during the life of this publication may cause the information included here to be incomplete. All of our non-packaged food products are produced and stored in environments where known allergens are present. All data is rounded to meet current U.S. FDA NLEA guidelines. Percentage data for vitamins and minerals refers to percentage of U.S. Daily Values for a 2,000 calorie diet.
